

What is PVHSA?

PVHSA is made up of parents who want to help enhance and enrich the school experience for ALL students that attend PVEA. We partner with the school's administration and staff to run programs in and out of the classroom.

Our discussions and votes have a direct impact on your children, so join us and be a part of the progress!

- Volunteers in the classroom
- Art Cart and Project Cornerstone
- Committee chairpeople
- Program and Event helpers
- HSA meetings in our gorgeous, new Auditorium

**We are all volunteers, and everyone is welcome.*
