

May 26, 2022 minutes

Paradise a valley shine and School Association.

In Person Meeting - Welcome!

Call Meeting to Order- 7:59am

Approve Meeting minutes -Move to approve- Erin, Second- Amber, Motion passed

Principal's Report – Amber Andrade

Next week will be crazy, thank you to all the volunteers for next week, teachers will be reaching out for the different events, field day, etc. We need help from 4th grade parents to set up for fifth grade awards ceremony. Play ground update, equipment still has not made it to the US. It's still tentative done over the summer. But possibly now not till winter break. Amber doesn't want construction when kids are on campus. We've been trying to get a TK for the last two years, we will not be on the list for TK next year because we don't have a restroom. If parents can call the district to bug them about us not having one. We need a Gen 7 bathroom for TK. Yesterday we had police here before and after school, and we will have random police presence for the next week.

Executive Board Reports

President Report Thank you everyone for coming every month, thank you to the board for being so patient and cooperative, thank you to the committee chairs.
