b. Comments/Adjustments to this year's budget & vote on new budget

This year's budget – Carmen giving info.

We can vote to amend it throughout the year if we need to.

Balance sheet – 4<sup>th</sup> 5<sup>th</sup> fundraisers are specific for the field trips to those grades.

Nothing needed for Meet the masters – just supplies.

Science camp, the amount went down, less kids. About \$350 Sacramento is about \$110, we have a buffer for buses.

Adopt A Family – Carmen gave info. There is now a little budget for it.

Equipment – all playground equipment

PA – is on its last leg and may need to be replaced.

Grade level allocations – each teacher has a budget of \$300 for the year to use for whatever they need for their classroom for the kids.

Grade lever is about \$20/kid for the budget.

Equipment question – Ms. Scianna – since we have more kids on campus is there a plan to increase the equipment on campus? Also, It is helpful for the TK to have more equipment.

When will the kids be able to get on the playground? (Asked by a parent at the meeting)

Mr. M replied - Coach C will have to train each class. For student safety classes will be rotating their turn on the playground.

Moved to approve.

Focuses on 1 artist/ month, learning the info and they do an art project. Using the maker space room for the art lessons. Megan & Melanie go through the art lesson w/ the volunteers, materials get prepped.

Ms. Scianna – Can teachers get a list of the artists to role that in their lessons?

Megan will send her the info.

c. Project Cornerstone & Funvisor

Karie giving info. We do it as partners. Volunteers get to know the kids. Help kids learn about relationships and get to talk about things. Learning about resiliency.

Unity Day – promote it and advocate it on school campus.

Fun Visor – a way for parents to become part of the school community. Once a month. Lots of equipment like jump ropes, hula hoops, games during recess.

Kinder & TK... we usually struggle to run the program for them because we don't get volunteers for that.

Shana – gave info. 4-6:30 It's a carnival run by kids. Erin – runs the food. All the money goes to 4<sup>th</sup> & 5<sup>th</sup> grades. Megan runs a used book fair. Teachers will have info at back-to-school night for the parents. Poinsettia sales – 4<sup>th</sup> & 5<sup>th</sup> graders raising money will go directly to their fundraising for the specific years. If your kids start young, then your kids just rack up their account for their trip.

e. Hospitality – *Gabby*

Lunch for the staff. Needs volunteers. Does not have a huge budget. Need volunteers to help prep and make the food. Teacher appreciation week in May is when it's a big deal. Every day they get treats.
